

HOOSIER ART SALON

Celebrating Artistic Excellence

NEW FOR 2026!!

*The following changes are intended to support both artists who have participated in past exhibitions and those who are newly engaging with the Hoosier Art Salon.

SUBMISSION REDUCTION

For artists familiar with previous submission guidelines, the number of allowable entries has been adjusted. Artists may now submit up to **TWO (2)** works, rather than the previous limit of three. This change is designed to reduce the pressure of identifying a third piece and to encourage all participants, whether returning or new, to present the two works that best represent their practice.

TICKETS FOR VIP AUGUST 19

Every artist who submits work to the annual exhibition will receive one complimentary ticket to this event!

Artists whose work is not juried into the exhibition will receive one complimentary ticket, provided it is reserved online by the stated deadline. This adjustment ensures that all submitting artists, regardless of their history with the Salon, have the opportunity to take part in this annual gathering.

ACCEPTED ARTISTS: Artists whose work is juried into the exhibition will continue to receive a complimentary ticket for themselves and a guest.

The Hoosier Art Salon has a long history of supporting Indiana artists, including those selected for the exhibition and those who contribute to the creative community year after year. These updates are intended to create a welcoming and inclusive experience for both long-time participants and those discovering the Salon for the first time, ensuring that all artists have the opportunity to gather, celebrate one another, and take part in an evening dedicated to the arts.
